## **What is Arbitration?**

Arbitration : **ADR/** Arbitration is a process of resolving disputes between two or more parties (individuals or organizations) by the use of a third party, an arbitrator or a panel of arbitrators. It is a form of alternative dispute resolution (ADR) that is often used as a means of resolving disputes outside of the court system. It is a process where a neutral third party, the arbitrator, hears the arguments of both sides and makes a decision based on the evidence presented. Arbitration is often used in commercial disputes, labor disputes, and consumer disputes. It is a faster and less expensive way to resolve disputes than litigation. Arbitration is often used in contracts as a means of resolving disputes.
