Beegu is not supposed to be on Earth. She is lost. She is a friendly little creature, but the Earth People don't seem very welcoming at all. However, so far she has only met the BIG ones. The little ones are a different matter. A deceptively simple picture book that is beautifully economical with space, detail and colour, but is emotionally completely engaging.

### **Beegu - Alexis Deacon - Google Books**

Beegu is a lost little alien looking for someone, anyone who will be her friend in this strange foreign world. Sadly, many ignore or are rude to Beegu. Thankfully she discovers kindness and acceptance with a group of children. This is a sweet story that reminds us all to take a lesson from our little ones and show compassion to others.

### **Amazon.com: Customer reviews: Beegu**

Beegu the alien is lost on Earth, and only other small creatures seem to want to help her. This book is best for children kindergarten age and up. It gives the message that sometimes when adults don't understand differences, children do. Children are more willing and able to accept and make new friends.

### **Beegu by Alexis Deacon, Paperback | Barnes & Noble®**

The only thing I would note to parents is that Beegu is a child alien who only children seem to like and understand. He is very relatable and his feelings get hurt. The (human) adults in the book are not understanding of this alien child and react in fear. They do not come around or learn the alien child can be trusted by the end of the story.
