As begins to do so he confronts two fears, first of seeing the object more clearly and second of being seen become prominent. Seeing leads to deeper and more distressing feelings connected with guilt and depression as the damage done to good objects is recognized. However it cannot be faced if shame leads to a demand for immediate relief.

On Seeing and Being Seen: The Difference Between Writing With Empathy and Writing With Love. None of my characters ever worried about money. None of them were concerned what their friends would think if they met their Haudenosaunee dad or their white bipolar mother. None of them had a Haudenosaunee dad or white bipolar mother. Things were simple; things were normal. Rich boys and brand names were normal.

The Power Of Seeing, And Being Seen, In 'The Girls'. Emma Cline's thoroughly seductive debut novel, *The Girls*, re-imagines the world of Charles Manson's female followers, and does so with a particularly effective literary device. The concept of the male gaze is well established, but Cline employs what can only be termed the female gaze as an entry into the helter-skelter life of her protagonist.
